The Silver Shadows band was founded in 2003 as a Shadows tribute band, dedicated to playing the music of Cliff Richard and The Shadows. For nearly 9 years, the band has thrilled Cliff Richard and Shadows fans with attention to detail and the ability to entertain audiences of all ages.

Currently melding the Shadows' superb instrumental music, Cliff's powerful rock and ballads, with some of the best Rock 'n' Roll hits from the 60s and some country rock from bands such as the Eagles, the band combines the very best music from the era, while captivating and entertaining audiences.

Some recent performances include:

- Chertsey Round Table charity dance.
- Bourne End 'Help For Heroes' concert.
- Reading 'Children In Need' concert.
- Stevenage Postels Club – Cliff & The Shadows tribute evening.

The band is presented in two formats for convenience and flexibility:

### **A Cliff Richard & The Shadows Tribute**

Fronted by the UK's number 1 Cliff look-alike, Will Chandler, we are available for clubs, shows and theatres as "Cliff...As If & The Silver Shadows". In this format we perform a complete Cliff & The Shadows show, with a combination of Cliff Richard hits and Shadows instrumentals.

### **Cliff, The Shadows and Rock 'n' Roll**

In this format we are a four, five or six piece band, depending on requirements and size of venue. Vocals are performed by Chris Kenward, either from the drums or, with the addition of our other drummer, from the front of stage, depending on venue.
